

Aspirin from Willow

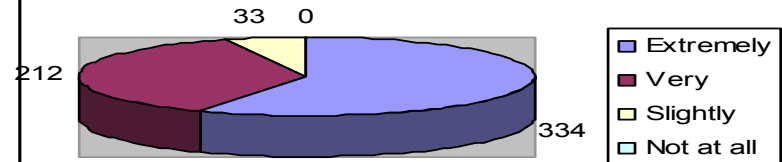

Steve Marshall & Frank Swinton

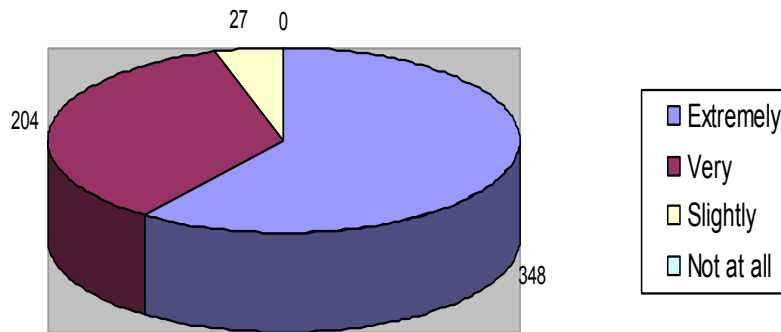

How important are the grounds and gardens to you?

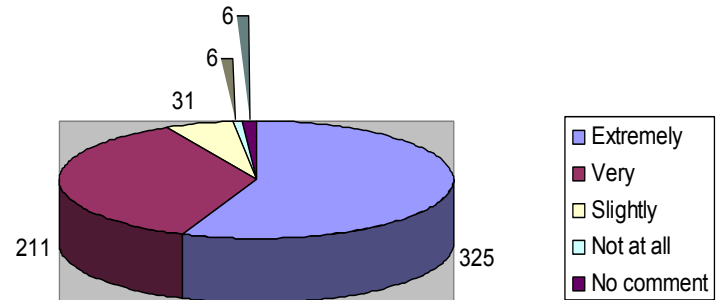

How important do you think they are to patients and visitors?

How important are they to the overall image of the Trust?

How important are colourful blooms in Summer & Spring?

Hospital

Car Park

Current Schemes

- Sponsor a tree NHS Forest
- A fruitful future We have apples
- Spice of life We grow our own herbs and spices
- Eco-cise Undertaking light duties within the Trust's gardens

Planned Schemes

- Outdoor Gym A gym in the open air
- Go VegetAirean We aim to grow a variety of vegetables on site. Staff and patients will take part in cultivating and consuming them
- Composting New compost plant to be introduced
